PETITION UNDER 37 C.F.R. § 1.181

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

This Petition is in response to the Notice of Allowance mailed February 3, 2004.

This Petition under 37 C.F.R. § 1.181 requests that the documents from the International Search Report, a copy of which was filed with the original application papers on November 7, 2000, and from an Information Disclosure Statement (IDS) filed October 28, 2002, be acknowledged as considered.

More particularly, with the original application papers an International Search Report was filed and a "Request for Consideration of Documents Cited in International Search Report" was submitted. As noted in that paper there is no requirement for the Applicants to submit copies of the documents. For convenience a copy of that previously filed Search Report and the Request, and the date-stamped filing receipt indicating their filing, are enclosed herewith.

At this time applicants have not had any indication of an acknowledgement of consideration of those references. Applicants request that acknowledgment of consideration.

Also, applicants submitted an IDS on October 28, 2002, citing three documents AA-AC. That IDS was timely filed. For convenience a copy of that timely filed IDS and the date-stamped filing receipt indicating its filing are submitted herewith.

At this time applicants have not received an acknowledgement of consideration of the documents cited on that IDS. That is, applicants have not received the initialed PTO Form-1449 indicating acknowledgement of consideration of the references. Applicants request that acknowledgement of consideration for the timely filed IDS.

As the above-identified application has already been issued, applicants request an early action on the present Petition.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
